

MONO.

a zine

wake up in

feel like a torso

i know it's time to go

{life is a wave that sometimes you cannot see}
{and ash is a thing that someday we all should be}
{when tomorrow comes, how different it's gonna be}
{why do love and hate sound just the same to me}

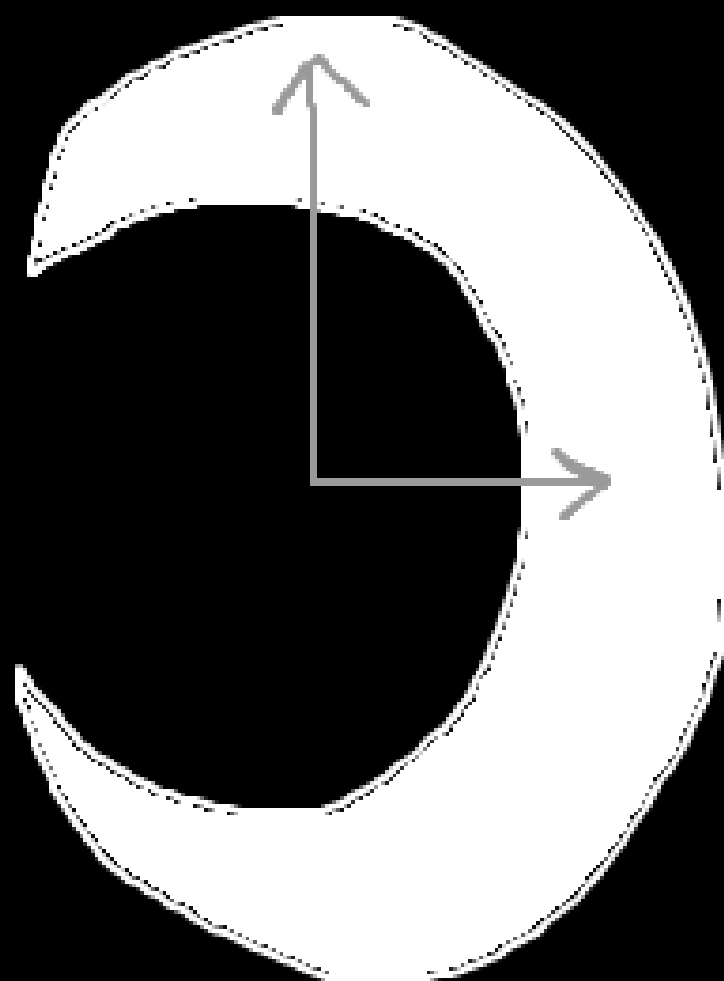

I LOVE YOU

seoul

MOONCHILD,

you

shine

it's your time

날 산산조각 내줘

Is this the best you can offer?

you have to be so much better

NO, YOU, YOU, YOU

you have to be so much cooler

if you are going to lose, you rather have to die

you have to win, you,
